INFORMED CONSENT

By participating in any or all of these activities, it is understood each individual (known as "you") who voluntarily engages in adventure activities during the Mammoth Blue Sky event accepts the risks involved with participation. In the event that a medical clearance must be obtained prior to any participation in any adventure activity, you agree to consult your physician and obtain written permission from your physician prior to the commencement of any fitness program or adventure-based activity. You understand that you are responsible for monitoring your own condition throughout any adventure activity. If any unusual symptoms should occur, you will cease participation in the activity until medical advice has been acquired.

In agreeing to this consent disclosure, you affirm that you have read this consent disclosure in its entirety and that you understand the nature of a fitness or adventure activity program, and that to the best of your knowledge, you have presented all relevant health information to the participating activity leader. As a participant, it is your responsibility to determine if you are healthy enough to participate safely in the activity you have chosen. You agree to assume the risks of such exercise/activities and further agree to hold harmless HarvestMoon Presents Inc, Vallitix Inc., DBL Entertainment, Mammoth Brewing Company, together with Footloose Sports, Friends of the Inyo, U.S. Forest Service, Eastern Sierra Fishing Guides Association, Sierra Rock, the National Park Service, Snowcreek Athletic Club, Scott Saltsman, High Sierra Striders, Mammoth Kayaks, Deanna Clark, Lindsay McLaughlin, Frans's Flower Gardens, Sierra Nevada Lodge, and its subsidiaries, their respective employees, representatives, agents, and sponsors, or its instructors conducting the adventure and film activities of any and all claims, suits, losses or related cases of action for damages, including but not limited to injury or death, accidental or otherwise during or arising in any way from the fitness programs or adventure-based activities.
